## **2025 Bermuda Big Game Classic Unofficial Rules**

### **The Tournament**

The Bermuda Big Game Classic is a three-day, billfish team event with top-team honors going to the team that tallies the most points during the tournament. Prizes pay down to third place (first, second and third). The tournament will award prizes to the team(s) that catch the largest blue marlin and gamefish by weight. Billfish release trophies and prizes will also be awarded to the team(s) with the most billfish release points. The high-point angler, lady angler and junior angler (age 17 and younger) will receive a trophy and a prize package. Eligible species for the tournament include blue marlin, white marlin, spearfish, sailfish, yellowfin and bigeye tuna, and wahoo.

### **Base Entry Fee**

The Base Entry Fee is \$5,000 per team (up to six registered anglers). This basic entry fee covers the participation of one to six registered anglers. It also covers attendance at all planned entertainment and social activities for up to six participants. Guests of anglers are welcome but are required to purchase participation tickets for entry to all planned entertainment and social functions. The fee is \$250 for each non-angler participation-ticket package. The tournament committee reserves the right to deny tournament entry to any individual, organization or corporation.

### **Captains Meeting**

A final registration, captains' meeting and kickoff party will take place from 5:00 p.m. to 9:30 p.m., July 10, at the Hamilton Princess Hotel. All teams that are preregistered and teams needing to register must send at least one representative to obtain tournament credentials and the team captains' bag. All anglers and boat captains should attend the scheduled anglers/captains' meeting at 7:30 p.m., July 10, at the Hamilton Princess Hotel. If they do not attend, they accept and agree to be bound by all instructions and/or rule changes made orally or in writing during that meeting. In an effort to maximize participation, registrations will be accepted until 8:29 a.m. on July 11.

### **Cancellation Policy**

Registrants who cancel their participation more than 30 days prior to the tournament start date will receive a full refund of their base entry fee and any optional jackpots. Registrants who cancel within 30 days of the tournament start date will receive a 50% refund of the base entry fee and a 100% refund of any optional jackpots.

### **Cancellation of Entire Tournament**

If the tournament must be canceled before any scheduled fishing days due to unforeseeable events beyond Bonnier's control (e.g., extreme weather, natural disaster, terrorist acts, and other *force majeure* events), 50% of the Entry Fee and 85% of the Optional Jackpot funds will be refunded. If Bonnier cancels the tournament for any other reason (e.g., insufficient participation), the Entry Fee and Optional Jackpot fees will be fully refunded. Refunds will be issued by ACH, check or wire transfer to the Team Representative within four weeks as long as all tournament entry fees have cleared the bank.

### **Angler, Crew and Boat Requirements**

Without exception, each boat must have on board one designated boat captain and at least one designated mate. Captain and crew changes are allowed but should be communicated to the tournament committee prior to any day's fishing. There is a limit of six registered anglers per boat in this tournament; however, if an angler drops out, an additional angler can be signed on with the team if

he/she registers before the start of that day's fishing. Designated captains and mates can also be registered anglers. Guests are allowed on the boats. Boats may receive aid from other boats in the form of towing in the event of mechanical failure. Teams and boats are not allowed to receive assistance in landing or releasing fish. All participants must exercise good and courteous sportsmanship whether at the dock, under way or fishing.

**Boats with Sonar** Sonars are not permitted to be deployed prior to lines in at 8:30 AM.

### **Rules**

IGFA angling and tackle rules apply in this tournament (see tournament release rules for scoring billfish release points). It is the responsibility of each registered angler and crew member to know, understand and abide by IGFA and tournament rules during this competition. Any angler, captain or mate who deliberately breaks any IGFA or tournament rules will be deemed ineligible for any prize, award, honor, or recognition and may be immediately expelled and disqualified from this and future tournaments without a refund of any jackpot or registration fees. For a complete list of IGFA angling and tackle rules, go to [igfa.org](http://igfa.org). The tournament will distribute Official Tournament, IGFA angling and tackle rules at final registration.

### **Billfish Release Rules**

All teams must provide their own video camera(s) to verify releases. All video recording equipment must be set to the proper Bermuda time and date and must be synchronized to the official tournament time. To verify a catch, you must use the release cards provided. Teams will be informed of the release card to use prior to each day's start of fishing. To score an official release, the video footage must include sufficient footage to (1) clearly identify the species; (2) show a team member, angler or crew touching the leader while the fish is still hooked; (3) display the release card provided by the tournament; (4) identify the time and date of the catch; and (5) show the catch and full release of the fish. The video footage must identify all of these elements. Do not delete any video taken during fishing hours, even if it does not include the above elements and will not be used to prove a catch.

All recordings, images, sounds, etc. become property of Bonnier LLC and may be used at any time. Recordings and/or images may be downloaded from the team's device(s).

Any release photos posted on the tournament website or social channels or included in the tournament videos are for entertainment and marketing purposes only.

### **Catch-Report Affidavit**

After the release video is taken, the time, species, release card of the day and angler name must be written on the catch-report affidavit. Each registered angler and boat captain must then sign the catch-report affidavit. At the end of the day's fishing, the camera, camera connections, catch-report affidavit and all video footage taken must be brought to the weigh station for verification of official release points. Catch reports should be turned in by 7 p.m. unless a team is fighting a fish after lines out at 4:30 p.m.

### **Scoring**

Billfish Division: Five hundred (500) points awarded for every blue marlin officially released, or one point per pound for every blue marlin weighed and verified at or over the 500-pound minimum. One hundred (100) points for every white marlin, spearfish or sailfish officially released. If a blue marlin brought to the scales fails to make the minimum weight limit, the team that caught the fish will be penalized 500 team points, plus two points per pound that the fish is under the minimum weight. For example, if a fish weighs 480 pounds, that team will be penalized 500 points for not meeting the weight requirement and another 40 points for the 20-pound difference. The total penalty would cost them 540 team points, and they would receive no other points for the fish. Any blue marlin boated for any reason must be weighed. Failure to weigh a boated blue marlin will result in immediate disqualification for the remainder of the tournament and forfeiture of all points previously earned. Only one blue marlin may be taken per day, per boat. All white marlin, sailfish and spearfish must be released.

Once a marlin is boated, the team must take a picture or video of the fish while measuring the short length, girth of the fish and circumference of the tail. The measurements of the fish must be reported to the tournament committee. In the event of a tie the team reaching the highest score first wins with the other team assuming the next award position. This is based on the time of release and boated time of billfish.

### **Game Fish**

Eligible species are yellowfin and bigeye tuna and wahoo. Scoring is calculated to the tenth of a pound to 200 pounds and to the pound for fish over 200 pounds. Minimum weight for this category is 25 pounds. Once a game fish is boated and the intent is to weigh it you must notify tournament control. Teams must use the card of the day and take a photo or video of the fish with the designated card once the fish is boated. This will serve as your time of catch. In the event of a tie the team reaching the highest score first wins. This is based on the time of boated fish.

### **CatchStat**

The Bermuda Big Game Classic tournament uses CatchStat for registration and team management. CatchStat provides live scoring updates. All content on CatchStat is for entertainment purposes only. Content does not replace and may not reflect official tournament standings or payout amounts. Official standings can be obtained by contacting the tournament committee.

### **Line**

The maximum line strength allowed is 130-pound-test. Tournament and/or non-tournament lines are eligible. If the line test stated on the label is 130 pounds or less, the line will be allowed in the tournament. The catch shall be classified under the breaking strength of the first five meters of line directly preceding the double line, leader or hook. This section must be comprised of a single, homogenous piece of line.

### **Leader**

The length of the leader is the overall length, including any swivel, lure or hook arrangement. In all line classes exceeding 20 pounds (10 kg), the leader shall be limited to 30 feet (9.14 meters). The combined

length of the double line, leader, swivel and hook set shall not exceed 40 feet (12.19 meters) total. The tournament committee holds the right to examine any hook sets, line and/or leaders at any time during the event. Refusal to allow the committee to examine any hook sets, line and/or leaders will result in immediate disqualification from the event without a refund of any jackpot or registration fees.

### **Rods**

Unlimited in use or numbers.

### **Teasers**

Unlimited in use or numbers.

### **Baits**

Live bait, dead bait, lures and any combination thereof are permitted in this tournament.

### **Hooks**

All tournament participants must use non-offset circle hooks for all species whenever natural baits or natural-bait/artificial-lure combinations are used.

### **Fishing Hours**

Fishing will commence at 8:30 a.m. and end at 4:30 p.m. on July 11, 12, and 13. No lines, teasers or the use of omnidirectional sonar technology will be permitted before the official fishing hours each day. The tournament control's time will act as the official time for the start, catch-and-release and end of fishing each day. The tournament committee reserves the privilege of changing starting and finishing times for any reason it deems necessary. A radio start will take place each morning at 8:30 a.m. and finish with a radio lines out at 4:30 p.m. The official tournament VHF channel will be **7 International**.

### **Fighting Times**

In the event of late hookups all fish to be weighed or release videos must be back at the weigh station and in the slip by 11:59 p.m. on the day of fishing.

### **Weigh-In/Release-Video Check-In**

The weigh station and release-video check-in station is at Barr's Bay Park.

### **Radio/Communications**

All billfish hookups, releases and lost fish must be reported to tournament control, along with the boat name, angler name and fish species. The tournament control's time will act as the official time for the start, catch-and-release and end of fishing each day without exception. The official tournament channel will be **7 International**. An International cell phone number of **407-533-0123** can also be used to communicate. During the last hour of fishing each day, all hookups must be reported. All game fish boated and intended to be weighed must be called into tournament control.

### **Weather**

There is no weather committee. The tournament is conducted on a fish-at-your-own-risk basis. If any portion of the tournament is fished and a team or teams land or release fish that match the tournament's eligible species and minimum weight limits, then prizes will be awarded.

### **Sportsmanlike Conduct**

All participants are expected to maintain a reasonable and sportsmanlike demeanor at all times throughout the tournament. Unsportsmanlike or threatening conduct towards tournament committee or other participants, or any other behavior which the tournament committee deems inappropriate, in

their sole discretion, will result in immediate disqualification of the entire team with no refund of entry fees.

### **Protests**

Participants may lodge protests against any catch which they believe was not made in accordance with these rules. All protests must be stated in writing and accompanied by \$500. All protests will be settled the day of the incident. All protests on July 11, 12 and 13 must be in the hands of the tournament's designated rules official by 7 p.m. on the day of the alleged incident unless there is a protest regarding a fish that comes to the scales late. The tournament committee may call a protest hearing in their discretion; a protest hearing is not guaranteed. The protesting party, as well as the accused team members, captain and crew, must be present at any official protest hearing.

The tournament committee may refuse to consider any protest evidence not submitted at the protest hearing in the presence of the protested team. If the protesting or protested team fails to show up for the protest hearing, that team forfeits its right to submit evidence. Decisions of the tournament committee with regard to protests are final, non-appealable, and nonjusticiable.

*The Bermuda Big Game Classic tournament committee reserves the right to update or change these rules at any time. By entering the Bermuda Big Game Classic tournament and paying the entry fees, all participants agree to abide by the tournament rules and accept all decisions made by the Tournament Committee as final.*
