Dining, Spa, Beaches, Pools & More!

Staging the Invitational at a private island resort has its benefits! While you'll be hooking your next prize, your family and friends will find plenty to do, either on our island or exploring the treasures of the BVI.

Our **on-island dining choices** can be found [here](#). From open air casual to our signature restaurant, you will find a setting that's perfect, and a menu to please any palette.

We would be derelict in our duties if we didn't mention that our award-winning **Ixora Spa** will be available to restore your strength and attend to those aching muscles. Appointments do fill up quickly so don't forget to schedule some pampering! [Book a Spa Treatment](#)

No visit is complete without an island-hopping tour of the iconic BVI bars, including Willy T's, Foxy's and The Soggy Dollar. But now there's **Marina Cay Bar & Grill** to add to the list! Be sure and visit our sister island next door to Scrub for refreshing cocktails, delicious food, and an array of exciting water sports in the crystal clear waters. Visit marina-cay.com to learn more!

We are thrilled to host this world-class tournament once again at our resort. Should you require more information on the actual fishing tournament, please visit www.scrubislandinvitational.com or call 407-533-0123.
